Swami Keshvanand Institute of Technology Management and Gramothan , Jaipur' 2023   August 2019 - Present
Bachelors of Technology in Computer Science and Engineering   GPA: 9.2/10.0

St. Peters senior secondary school , bharatpur   2017 - 2018
Senior secondary   Percent : 90.4/100.0

DPS , bharatpur   2016 - 2017
Secondary   GPA : 10/10

EXPERIENCE

Amazon   Jan 2023 - June 2023
Software developer intern   Chennai, India
- Developed a prototype based on the design specifications. Built customer-facing features which includes a notification to launch app, swiping features and a new icon implementation and chatgpt integration to the existing android app
- Debugging customer code and troubleshoot various technical problems which included showing undo snackbar in Fullscreen mode, solving an Oauth issue, attachment size issues etc.
- Worked on integrating an internal tool which is used for A/B testing of any new feature to be built in our App. This experimentation tool helped my team to gain enough metrics to make a decision on whether to keep a feature or not.

Cyntexa   July 2022 - Aug 2022
Salesforce developer intern   Jaipur, India
- Worked on salesforce admin and salesforce developer which is easy to use , reliable and can be customized
- Created a hotel app which has various features such as determining the check-in and check-outs of customers . Generating an automated bill depending on the time spent inside hotel
- Created api to parse json data and insert into salesforce org
- Created apis of a company app to fetch certain data, and to insert or update into salesforce org . The data fetched through api is displayed on UI using lwc components .

PROJECTS

Blog Classy   June 2022 - July 2022
Tech stack - NodeJs , MongoDB , ExpressJS , Git , HTML, CSS   https://github.com/meenal2000/Blog-Classy
- Blog Classy is a featured blogging application with a user-friendly interface.
- The users can submit their articles and view other users articles.
- Implemented functionalities like login/signup , add/edit/delete a post.
- The users can create public as well as private blog posts .

Xharktank Application   Nov 2022 - Dec 2022
Tech stack - javascript , nodejs, expressjs, mongoDB   https://github.com/meenal2000/Xharktank-Application
- In this application, the entrepreneurs and investors can build their pitches.
- They can also see all the pitches that are present currently or a particular pitch.
- The investors can also create an offer for a certain pitch.
- The back-end is developed using NodeJs and MongoDB as database.

ACHIEVEMENTS

Global rank 1626th	Secured a rank of 1626th place in Google Code Jam to I/O for Women 2021	2021
Global Rank 520	March Lunchtime 2022 Division 2 . Participated in over 40+ contests on codechef	2022
Open source contributor	Participated in Delta Winter Of Code'20 . Worked on a social distance detector project	2020
RANKED 294 out of 2530	Hack the Interview VI (Asia Pacific) Hackerrank	2020
Scholarship	Awarded with TFWS scholarship by RTU , Kota	2019
Gold medal IMO level-1	I participated in IMO by SOF in my 12th grade and stood first in level-1	2017

TECHNICAL SKILLS

Programming languages: C++, C, Javascript   **Tools:** Visual studio code, Matlab, Git
Web Technologies: HTML, CSS, JavaScript , Bootstrap , Node , Express , MongoDB   **Miscellaneous:** Data structure and algorithms

CODING PROFILES

Leetcode : https://leetcode.com/meenal00/
Codechef : https://www.codechef.com/users/meenal2000
Geeksforgeeks : https://auth.geeksforgeeks.org/user/meenalgupta2/profile

POSITIONS OF RESPONSIBILITY

President , codechef campus chapter: 2021 - 2022
Organized programming contests in college. Took some online classes to help my juniors in getting hands-on with CP.
